Mrs. Minnie Willis says, it may be true that we are the descendants of the Monkey, but she don't believe it. She says it may be true that the tadpole grows into a frog, but when it comes to the loathsome, creeping, crawling, fuzzy backed caterpillar making a nice, bright-winged butterfly she does not believe it, she thinks Prof. Darwin is wrong and Mr. Bryan is right in his theory as to the origin of man, any way, Minnie don't believe in the Darwin theory, she thinks there is one of her cousin that will never be a butterfly.

IDOL TENN.

Dear Editor: Allow me space in your paper for a few lines from this place this week.

What's wrong with "Bill" that he don't give us the news from Treadway any more?

Mr. John S. Livesay and little son, Edgar are on the sick list at this time, but we hope they will recover soon.

William Carr of this place died last Monday night and was buried Wednesday, funeral services were conducted by Rev. Henry Collins.

Most everybody around this place are done laying by their corn, and corn looks good.

After so much rainy weather people are very busy making hay while the sun shines.

SPRING CLEANING IS AT HAND.

Have you thought how much you can improve the looks of your premises by giving them a fresh coat of paint? And the protection that paint affords is worth much more to you than the cost of same.

PRICES ARE NOW MUCH LOWER.

You can paint for at least fifty percent less than you could last year as the following comparison will show:

	Price last year.	Price now.
White lead 18 cents per pound	18 cents per pound	14 cents per pound
S. & W. Paste 20	20	17
Linseed oil \$3.00	3.00	\$1.25

Oil constitutes a large proportion of mixed paint, and you will notice the price on this as it is about 60 per cent lower than it was last year.

We handle old Dutch Whit Lead, S. & W. Paste Paint and the very best grade of Linseed Oil, as well as, a full line of inside finishes and family paints. You can always get what you want, at market prices, no matter what the goods cost us.
